for Enhanced Research and Innovation
Cooperation”

About project

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or European Research Executive Agency (REA). Neither the European Union nor the granting authority can be held responsible for them.

About the platform

- The EU.FFICIENT platform is designed to facilitate co-creation processes and is developed within the Horizon Europe project EU.FFICIENT
- The platform hosts different thematic groups of interests and you can explore all of them to find suitable partner for different initiatives
- Everyone can publish information about upcoming events. By joining the platform, you will be kept up to date about different events and initiatives, not only those within the LUKE project.

Planning LUKE matchmaking event:

- **Platform provides a communication and interaction hub for potential LUKE applicants and participants of the matchmaking event (join CEF LUKE Europe-Ukraine R&I)**
- **Post about your research interest and send direct messages to the potential partners**

CEF LUKE Europe-Ukraine R&I

The screenshot shows the user interface of the 'eu-efficient' platform. At the top, there is a search bar and a user profile for 'Inese Gavarane'. The left sidebar contains navigation options: Links (News Feed, Friends, Notifications, Messages, Invite Friends, Learning Modules, Library of Resources, FAQ), CEF Groups (Advanced Manufacturing, Health Tech, Mobility, AI/Digital, Deep Tech, Societal Electrification, LUKE Europe-Ukraine R&I, CEF Groups), and a 'Leave Group' button.

The main content area features a header banner with the text 'Research and innovation cooperation with added value' and 'LUKE Europe-Ukraine R&I' (14 members). Below the banner are tabs for 'Group About', 'Members', 'Events', and 'My Calendar'. A 'Write Question' section is active, showing a post by 'Inese Gavarane' asking for advice on making a virtual discussion group lively. The post includes a location pin, image, emoji, and text input icons, and is set to 'Public'.

Below the post, there is a notification: 'Inese Gavarane Created a new event > LUKE Europe-Ukraine R&I 2 days ago'. A partial view of an event titled 'International Online CDE Event "Connecting through' is visible at the bottom.

On the right side, there is a descriptive text block: 'This community is a cross-cutting platform that fosters international collaboration between Ukrainian researchers, innovators, research managers, businesses and facilitators and their European counterparts. By bridging multiple sectors, it unlocks the interdisciplinary potential of Ukraine's integration into the European Research Area and supports the country's recovery. Established under the LUKE Joint Call (https://horizon-europe.org.ua/en/luke/joint-call/), the community aims to strengthen research and innovation partnerships, positioning Ukraine as a central partner. It leverages pooled resources from LUKE funding parties across eleven countries, creating a dynamic hub for exchanging ideas, facilitating collaboration and advancing knowledge. Connect & co-create for Ukraine's sustainable recovery!'.

Post your request/offer at CEF LUKE

To post your partner/coordinator search request, use the post function under "Write Question".

Include the following details:

- Name
- Organisation
- Country
- Target country for partners (if applicable)
- LUKE topic of interest
- Any additional relevant information

The screenshot shows the 'Write Question' form on the CEF LUKE platform. At the top, there are navigation options: 'Write Question', 'Share Co-creation Project', 'Offer and Request', and 'Event'. The main text area contains the question: 'What do I want to talk about?' followed by a subtext: 'Here you are free to ask another facilitators/experts for their input on your challenges in facilitation or share interesting articles or content.' Below this, the user has written: 'Hi everyone, I'm having trouble making a virtual discussion group lively and interactive: What methods or tools can you recommend to actively involve the participants and promote a productive discussion? Many thanks in advance for your tips!'. There are icons for location, image, emoji, and text input. At the bottom, there is a 'Public' privacy setting and a 'Post' button.

Example:

I am Olena Shevchenko from BioHealth Research Institute(Ukraine). Looking for coordinator from Finland. LUKE Topic of Interest is Medical and Health research. I am focusing on studies of the antimicrobial resistance.
